- 1 AUTO PARTS
- 2 GARMENT & CLOTHING
- 3 FOOD
- 4 COSMETICS
- 5 ELECTRONICS
- 6 MEDICAL DEVICES
- 7 MACHINERY
- 8 DANGEROUS GOODS
- 9 PROJECT CARGO

COMMODITY LIST 01

AUTO PARTS

With a full understanding of the various risks associated with this commodity, we offer customized solutions to offer the best possible lead time in the overall logistics process for our clients.

Our automotive team consults with the customers to conduct risk analyses that forecast possible scenarios and eliminate potential risks ahead of time.

COMMODITY LIST 02

GARMENT & CLOTHING

With full expertise in garment handling, our dedicated professionals provide Full logistics services from Ocean, Air handling and customs Clearance including duty drawbacks, 3PL/warehousing, and customized routing.

COMMODITY LIST 03

FOOD

We handle a variety of temperature sensitive food suppliers throughout the U.S.

We understand that importing food commodities requires complicated FDA & USDA requirements such as HACCP & FSVP as well as strict temperature control.

INSIGHT provides freight solutions for our clients in Food items.

COMMODITY LIST 04

COSMETICS

We specialize in the handling and transportation of a wide range of delicate beauty products, including skincare items and various cosmetics in both liquid and cream forms. Ensuring the safe and efficient transportation, storage, and distribution of these products is crucial in the cosmetics industry.

Given the perishable nature of cosmetics, proper storage, and transportation are essential to maintain their quality and effectiveness until their expiration date. Our team of experts understands the unique requirements of each product and offers tailored solutions to ensure optimal care and handling of all cosmetics.

COMMODITY LIST 05

ELECTRONICS

Handling delicate and valuable electronic components requires a special approach, particularly considering the distinctive logistics challenges prevalent within the high-tech and electronics sectors.

We focus on the demands of the electronics industry such as recognizing the necessity for strict security measures to provide solutions that meet all of our clients' standards.

COMMODITY LIST 06

MEDICAL DEVICES

We understand the complexity of handling medical devices such as temp controlled transit/storage as well as special packaging, etc. For these kinds of intricate devices, even small damage can compromise the performance and value of the machinery.

Our team of experts focuses on building customized solutions through consultation with the client to ensure all requirements are met to deliver the shipment without compromises.

COMMODITY LIST 07

MACHINERY

Machinery transportation is met with critical challenges such as intricate delivery and specialized transport with the ability to handle overweight shipments.

Our team of experts provides consultation with clients to ensure a smooth operational procedure until the final transit.

COMMODITY LIST 08

DANGEROUS GOODS

Spanning from truck drivers to members of the operations team, Insight provides specialized training to manage cargo susceptible to possible combustion, contamination, or immediate spoilage.

Our utmost concern is the safety and security of our clients' DG cargo and with our commitment, we can provide ensured delivery without compromise.

COMMODITY LIST 09

PROJECT CARGO

Through years of experience in heavy transport, We work strategically with heavy-lift ocean carriers and specialized equipment providers to offer the best-tailored approach.

From Out of Gauge, Heavy Lift, and Break bulks to on site surveys, Insight covers all scopes of special project cargo.
